White Horse Bridge Replacement Project
Schuylkill Township, Chester Co.
May 17, 2010 – June, 2011**

The White Horse Road Bridge located in Schuylkill Township will be demolished and replaced by the PA Department of Transportation (PaDOT) as part of their statewide bridge replacement campaign beginning the week of **MAY 17, 2010**. Per PaDOT, the bridge replacement is to be completed no later than June 2011. Should weather or environmental concerns not be an issue during the replacement of the bridge, the project could be completed sooner than expected.

The Posted PaDOT Detour is as follows: Two detour maps are included. Detours will be posted on all State roads. Map 1 depicts Car and Truck Detour Route and Map 2 depicts the Bicycle Detour Route. Any questions, please contact Charles Metzger, PaDOT Community Relations Office at 610-205-6801 or cmetzger@state.pa.us. PaDOT Detour maps are available to view and download at www.schuylkilltpw.org
