

SCHUYLKILL TOWNSHIP HISTORICAL COMMISSION

MINUTES - APPROVED

May 22, 2023 – 6 PM

Attendance: Dianne Cram, Dorothy Bedford, David Kiefer, Ginny Stearly, Jay Stearly, Peter Levine, John Jarboe and Randall Wagner. Also, M. Majewski.

Review of Minutes of April meeting. Approved unanimously.

Reeves Property:

Ascertain the need for a letter declaring HC position on the historic structures, per request of the Schuylkill Township engineer. Per Martha Majewski: If the STHC position is exactly the same as it was in 2008, a simple email to Laurie Getz confirming that position is the only response needed. Dianne will attend to this.

June 15, Anderson Farm/Descendants of Valley Forge visit to Peter Levine's house

Peter has not been given an estimate of attendance. Dianne asked if any assistance necessary from HC members, but Peter seems content with arrangements. Dorothy to send Peter any material she has on hand regarding the Andersons.

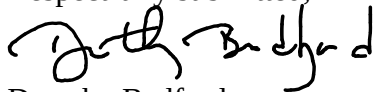

June 22 Program – Any assistance needed by Dorothy? Laurie needs a write-up for the Township website write-up, which Dorothy will send in. Do we need a printed program, which could be done at the Township Building? Unlikely. Dianne will introduce, if she receives a bio clip.

Old Business: Valley Forge Historic Corridor draft language, written by John Gregory. Dianne postponed until next month while we research other historic districts ordinances around the county, such as Kimberton, Sugartown, Marshallton, etc.

New Business: Chester County Historic Preservation Network picnic, June 21. Responses to Township by June 12th. Dorothy to represent STHC with a few remarks about our activities these past 12 months.

Ginny made the motion to adjourn, Peter seconded, approved unanimously

Respectfully submitted,

Dorothy Bedford
